**Attention: Employers of
Plumbers Local 98
Please provide the following
notice to your Payroll
department.**

The agreement between **MCA Detroit** and **Local 98** is retroactive on wages and fringes to June 2, 2008. Please be aware the allocation of the 2008 rates changed the fringes for the **Local 98 Unrestricted Journeymen** and **Local 98 Apprentice** categories. New fringe forms are in the process of being developed. We will send out the Labor Update by fax and email at the end of this week and the new fringe forms will soon follow. Due to the ratification taking place so close to the end of the month, the bargaining parties for MCA Detroit and Local 98 agreed to extend the deadline for June 2008 fringes (**fringes due Local 98 fringe funds only**) by one week.

**The new due date for Local 98 June 2008 fringes is
July 22, 2008.**

We recommend **NOT** using the old fringe forms for June fringes, especially for the Apprentice categories. Wait for the new forms. The sum of \$0.50 was deducted from the SUB contribution and placed on wages, thus reducing the hourly fringe contribution and increasing the taxable wage portion. Please continue to check our website www.MCADetroit.org for the latest information regarding negotiations and fringes.
